

WINE CELLAR

Welcome to our wine list which includes some good old favourites from our trusted suppliers and a few rather interesting other options that you just won't find everywhere else.

We are extremely proud to present a selection of drinks supplied selectively to us in the local area via our partnership with Waddesdon Wine who represent the wine vineyard relationships of the Rothschild family.

Just keep a look out for the Waddesdon Wine logo:-

Furthermore, you can explore our range of wines, have a mixture of white and red choices, change your wine with each course without having to commit to a full bottle.

In addition, to our standard wines being available by the glass we can offer some of our more exclusive wines by the glass as we have invested in the 'Coravin' wine system which preserves wines for months and years.

Just keep a look out for the 'Coravin' logo:
